Re: Response to January 7, 2005 Office Action

Dear Sir or Madam:

I am enclosing a duplicate copy of a Response to an Office Action. The Office Action was dated January 7, 2005 and the original Response was sent to the Patent Office on February 17, 2005. However, the original Response had an incorrect Serial Number in which the last two numbers were transposed so that the application number, rather than the correct number of 09/755,317, read: "09/755,371." Inasmuch as it is believed the incorrect Serial Number could lead to this Response being sent to the wrong Art Unit or the wrong Examiner, a duplicate Response is filed with the Serial Number corrected on the duplicate Response. If anything further is required from me, please notify me immediately. Thank you very much for your immediate attention of this.

This the 17 day of March, 2004.
